

Welcome to First United Methodist Preschool! We are so excited that you have chosen our program for your child to grow and learn. We are a preschool with certain day care elements, but our focus is helping your child be academically ready for Kindergarten. Our program offers a wide variety of academic experiences and an emphasis on instilling the love of God into the hearts of our young students.

Our teachers work hard to make sure that your child is actively learning throughout the day. Our teachers are all certified early childhood teachers and have experience teaching in the public school. Every classroom has a full time and highly trained aide assisting the lead teacher. Our academic program focuses on language arts, math, science, social skills, art and Bible. Our staff strives for excellence in all they do.

We offer a variety of preschool schedules to meet the needs of families in the Glen Rose area. We are currently enrolling for the 2020-2021 school year. We offer T/Th classes, MWF classes and M-F classes. Our regular school day is 9:00-2:30 and offer extended care hours from 7:00-5:30.

We hope to see you become a part of our Methodist Preschool family.

Thank you,

Jeanne Ferren
